Abrahamson Nurseries is a full service landscape and design company, a garden center, and a greenhouse grower. Since we began in 1928, we have been passionate about great landscape design and quality installation. This part of our business has changed and grown dramatically over the years, but the one constant is our desire to please each customer. Today, our team specializes in both residential and commercial landscaping and can tackle any challenge that arises in the landscape.

Position Overview

Under the supervision of the Landscape Foreman, the **Landscape Specialist** skillfully creates and maintains beautiful natural environments for our residential and commercial customers. This includes, but is not limited to, patios, retaining walls and water features. In this role, you will operate a variety of heavy-duty grounds maintenance equipment and perform complex grounds maintenance and gardening functions and activities. You will need to be able to dig holes, plant trees and shrubs and move and install hardscape materials such as retaining wall blocks and natural stone.

Main Responsibilities

- Move soil, equipment, materials, dig holes for plants, trees, dig/backfill trenches, install landscape material, weed, spread mulch, lay sod, water and build hardscapes
- Operate equipment including, but not limited to, driving a truck and trailer, skid steer loader, backpack blower, hedge trimmer, chain saw, etc.
- Ensure a safe working environment for fellow co-workers, customers and the general public
- Participate in end of day clean up, maintenance, and inspection of all assigned vehicles and equipment
- Conditions may vary depending upon the time of the year and the location of the project; however, Specialists will complete projects out-of-doors, through all seasons. This is physically demanding, outdoor work.

Basic Qualifications

- Previous landscape installation experience
- Ability to lift, pull and push up to 50-80 lbs., carry materials, bend, twist, kneel, climb, and balance. Ability to walk at a brisk pace and work in a kneeling position for extended periods of time.
- Ability to work in the rain and in extreme temperatures
- Ability to work weekends during the months of April, May and June
- Must have a valid driver's license

Preferred Qualifications

- Commercial Driver's License
- Experience operating and maintaining heavy machinery and equipment
- Experience reading and implementing landscape design plans
- MNLA or equivalent certification, or commit to achieving the MNLA certification within 24 months of date of hire
- Self-motivated and ability to work and accomplish tasks with minimal supervision
