Delivery is included in the pricing of the bulk items on the hard goods price list as indicated. Deliveries will be done according to Abrahamson's schedule and staff availability. Scheduling deliveries for specific dates/times will not be coordinated unless absolutely necessary.

Plant Orders for Perennials, Shrubs, and Trees in Size #25 Containers or Less: Drop off only, no loader or installation will be charged a minimum of \$100 delivery charge. Plants will be dropped on or near driveway.

Container and B&B Tree and Shrub Planting

- 80% of the cost of one tree
- 75% of the cost of two trees
- 65% of the cost of three or more trees
- \$200 minimum planting charge

Retail staff will give customers lime green flag(s) with plant varieties written on each flag. The customer must then place the flag(s) in the desired planting location(s) for each plant purchased. Installation will be done according to Abrahamson's schedule, specific dates/times will not be coordinated unless absolutely necessary.

A machine with turf tires will need to make 2-3 trips across the lawn to plant larger trees. Any repairs needed due to ruts in the yard from the machine are the customer's responsibility. Removal of existing plants will be charged, as needed.

B&B Set in Hole Only

Customer should call when the hole is dug and we will arrange delivery. Average hole needs to be 2' deep and 3' wide (straight sides). Delivery charge is \$200 for the first tree, \$150 for each additional tree on the same load. If the hole is accessible with a loader and properly prepared, we will set it in for free and the customer will finish planting. Installation will be done according to Abrahamson's schedule, specific dates/times will not be coordinated unless absolutely necessary.
