Plant Orders for shrubs, trees and perennials in size #25 container or less: Drop off only, no loader or installation will be charged a minimum of \$100 delivery charge

Block, Pavers & Natural Stone

\$250 minimum charge for the 1st pallet, \$25 for each additional pallet. These deliveries require a loader.

Container and B&B Tree and Shrub Planting

- 70% of the cost if one tree
- 60% of the cost if two trees

Retail staff will give customers lime green flag(s) with plant varieties written on each flag. The customer must then place the flag(s) in desired planting location(s) for each plant purchased.

A machine with turf tires will need to make 2-3 trips across the lawn to plant larger trees. Any repairs needed due to ruts in the yard from the machine are the customer's responsibility. Removal of existing plants will be charged, as needed.

Container and B&B Set in Hole Only

Customer should call when the hole is dug and we will arrange delivery. Average hole needs to be 2' deep and 3' wide (straight sides). Delivery charge is \$150 for the first tree, \$75 for each additional tree on the same load. If the hole is accessible with a loader and properly prepared, we will set it in for free and customer will finish planting.
